Here you write short and informative abstract up to 250 words in English. The abstract should tell a condensed version of the whole story you will present via poster or presentation, and it should only include information that can be found in the main presentation. Please include the context or background information for your research and the specific topic of your research. Include question or statement that your research has solved. The rationale and goals of your research or topic of presentation and why is your research or presentation important. Mention your research and analytical techniques. In brief describe your results, findings or arguments. Finish with a brief conclusion or take-home message. Please do not cite references in abstract, but please use them in the presentation.
